How to buy an Ambetter plan.

See how much you can save.

When you sign up for an Ambetter plan, you may qualify for a subsidy on the Health Insurance Marketplace. A subsidy is the amount of money the government pays to your insurer to help pay your premium.

In order to qualify for a subsidy, you must make between 100% and 400% of the Federal Poverty Level*.

100% — **Federal Poverty Level** — **400%**

**The Federal Poverty Level range, as it pertains to subsidy eligibility, may change based on the state you live in.*
